

# NEXT STEPS FOR SPRING '22 DR ENROLLMENT

## ONE STOP

**1** Contact OneStop for information on costs, financial aid, and billing for spring courses. There is no difference between a Dismissal Reinstatement (DR) student and any other UT undergraduate student with regard to tuition or other costs and options.

Students facing dismissal at the end of their second semester will need to file a Satisfactory Academic Progress (SAP) appeal to maintain aspects of their financial aid. This appeal requires an academic plan. It is important that you have this conversation with OneStop prior to meeting with your advisor.

## ACADEMIC ADVISING

**3** You must meet with an academic advisor or ACE coach to reassess your course needs, even if you have already registered for spring classes. This appointment is to make a plan for GPA repair and tailoring your program and curricular options to position you for academic success.

If you know you will be filing a SAP appeal, let your advising office know when you schedule your appointment; some offices schedule additional time to construct the SAP academic plan.

## DR ENROLLMENT FORM

**2** To participate in this program, you must submit the online Dismissal Reinstatement enrollment form no later than 11:59pm on Tuesday, January 18th

## REGISTRATION

**4** Following your academic advising appointment, promptly register for a maximum of 13 credit hours. You must have a set schedule by January 21st so that you are positioned for success and ready for the start of classes.
