

# ARCHIE ARCHITECTURE

(555) 555-5555 | aarchitect@vols.utk.edu | aarchitect@myportfolio.com

## SUMMARY OF QUALIFICATIONS

---

- Proficient in Revit, Rhino, and Enscape for BIM modeling and visualization
- Experience developing schematic designs and construction documents through internship work
- Studio experience in housing, adaptive reuse, and urban public space design
- Presented design concepts and provided feedback through teaching assistant and collaborative studio projects

## EDUCATION

---

**University of Tennessee, Knoxville**

May 20XX

*Bachelor of Architecture (BArch)*

GPA: 3.8

*Minor in Design Studies*

## EXPERIENCE

---

**Intern**

May 20XX - Present

*Your Favorite Architects*

Knoxville, TN

- Develop design concepts and drafting materials for residential projects using Revit and AutoCAD
- Build physical models and created digital diagrams to support client presentations and design reviews
- Conduct zoning and site research to inform early-stage design decisions
- Update drawing sets in collaboration with project teams to align with client feedback and code requirements

**Teaching Assistant**

August 20XX - December 20XX

*UTK College of Architecture + Design*

- Delivered instructional support for a 2nd Year Design Studio, reinforcing design principles
- Provided technical and design feedback during critiques to improve student work
- Demonstrated rendering and modeling techniques in Rhino, Enscape, and SketchUp
- Coordinated studio operations and prepared materials for critiques and reviews
- Evaluated student projects and mentored undergraduates on portfolio development

**Peer Mentor**

August 20XX - December 20XX

*UTK College of Architecture + Design Student Ambassadors*

Knoxville, TN

- Mentored first-year B.Arch students on design studio culture, time management, and portfolio development
- Led campus tours and supported open house and review day events to engage prospective students
- Communicated program expectations and student experiences to prospective students, increasing interest and informed decision-making

## SKILLS

---

*Modeling & Drafting:* Revit, AutoCAD (Proficient); Rhine (Intermediate); SketchUp (Beginner)

*Visualization:* Enscape3D (Proficient); Lumion, V-Ray (Intermediate)

## HONORS

---

**National Competition Winner**

20XX

*Traveling Fellowship LINK*

**Tennessee Design Award**

Fall 20XX

*Nominee*
