

Dismissal Appeal Application

Overview

Academic Dismissal is the end result of a pattern of poor academic performance, after being warned of the necessity of improved performance. In submitting this application, you are requesting an exception to the University's dismissal policy. Therefore, this appeal must be accompanied by a personal statement explaining your academic performance in the past, your plan for future success, as well as why you find it critical to be reinstated immediately rather than wait the required dismissal period.

Additional information about dismissal appeals, including key dates and deadlines, can be found at <https://studentsuccess.utk.edu/probation-dismissal-appeals/academic-dismissal/>.
