Let's Talk: Vol to Vol Facilitator Training

Over 500 Resident Assistants, Peer Mentors, SGA Representatives, and Student Success Ambassadors participated in a 90 minute virtual Intergroup Dialogue training session to prepare them to facilitate dialogue. The training explained the meaning of Intergroup Dialogue, Social Identities, Diversity & Inclusion, and the Roles of a Facilitator. During the training, student leaders had the opportunity to practice facilitating Intergroup Dialogue & multiple scenarios that could occur while facilitating.

Training: Pre & Post Assessment
Training participants responded to a pre and post assessment survey to assess their understanding of Intergroup Dialogue before and after the training.

Pre Assessment Responses Takeaways

- Can you define Intergroup Dialogue?
- Can you define Social Identities?
- Have you been a facilitator for Intergroup Dialogue before?

Post Assessment Responses Takeaways

- After this training, can you define Intergroup Dialogue?
- After this training, can you define Social Identities?

SUGGESTIONS FROM PARTICIPANTS FOR FUTURE TRAININGS
- Provide smaller groups for practicing Intergroup Dialogue
- Provide more examples of possible facilitation scenarios
- Provide case study examples
